## Press Information

### Voluntary Prepayment of Term Loan

Plochingen, June 11, 2019. CeramTec (the "Company") is pleased to inform that a voluntary prepayment of term loan, in accordance with the facilities agreement, has been made in the amount of EUR 28 million to the Facility B1 and USD 6 million to the Facility B2.

#### Legal disclaimer

This document contains statements that constitute forward-looking statements. These statements appear in a number of places in this document and include statements regarding the intent, belief or current expectations of our customers, estimates regarding future growth in the different business lines and the global business, market share, financial results and other aspects of the activity and situation relating to the Company. The forward-looking statements in this document can be identified, in some instances, by the use of words such as "expects", "anticipates", "intends", "believes", and similar language or the negative thereof or by forward-looking nature of discussions of strategy, plans or intentions. Such forward-looking statements are not guarantees of future performance and involve risks and uncertainties, and other important factors that could cause actual developments or results to differ materially from those expressed in our forward looking statements. Analysts and investors are cautioned not to place undue reliance on those forward looking statements which speak only as of the date of this presentation. CeramTec undertakes no obligation to release publicly the results of any revisions to these forward looking statements which may be made to reflect events and circumstances after the date of this presentation, including, without limitation, changes in the Company's business strategy or to reflect the occurrence of unanticipated events. Analysts and investors are encouraged to consult the Company's public reports. The financial information contained in this document has been prepared under IFRS. This financial information is unaudited and, therefore, subject to potential future modifications.
